

Terms & Conditions

The theme of the contest is “My Travel Moment.” At Collette, travel is about so much more than going places. Our world contains so many experiences for us to enjoy. But there’s one thing those adventures – the brilliant sunsets, the lost cities, the soaring peaks, the dramatic landmarks, and the incredible meals – all share. They remind us what life is all about. It is about being a part of something greater. Along with aesthetic considerations, images are judged on the ability to capture these feelings during a personal travel experience.

1. Eligibility. This Contest is open to U.S. residents (excluding those in Arizona) age 18 or older.
2. How to Enter. You may enter up to ten (10) photographs. To enter online, visit the Trip Page when logging into your Gateway Account and follow the upload instructions. To submit via mail, photographs must be identified with the location of the photo and names of any passengers featured in the photo. Please send photos, photo descriptions, and a signed release form to: Collette, Marketing Dept – Photo Contest, 180 Middle St, Pawtucket, RI 02860. If your photo includes recognizable people, you must provide the signed model release for each person in the photo.
3. Selection of Winners. After the closing date, contest judging consists of four rounds. During round one, submissions are judged by a Collette media specialist. In round two, submissions are judged by the Collette Advertising Team. In round three, photos are judged by an Executive Committee who selects the top three (3) finalists. In the fourth and final round, the public is able to vote on their favorite photo via Collette’s Facebook Page (www.facebook.com/GoCollette). A “like” on the Collette Facebook Page is required for voting. The public will decide the first, second, and third place winner based on number of votes.
4. Prizes. The Grand Prize consists of six (6) nights in Santorini, Greece for two (2) including hotel and airfare from your gateway city. This is an independent prize and not part of a standard Collette tour. The 2nd Place winner will receive an \$800 travel credit for future travel with Collette. The 3rd Place winner will receive a \$400 travel credit for future travel with Collette.
5. Promotion Period. The Contest starts at 12:00 a.m. EST on June 30, 2014, and ends at 11:59 p.m. EST on December 31, 2014. All entries submitted become the sole property of Collette and will not be returned.

Winning photos may be featured in a Collette brochure, marketing piece, website, or any other print/web collateral. You agree that submission of an entry into the Contest constitutes agreement of the full contest rules found here: www.gocollette.com/about-collette/annual-photo-contest
