## Day 8: Oberammergau - Passion Play

This afternoon, witness a performance of the epic Passion Play. The original performance dates back to 1634. During the Thirty Year War, Oberammergau was spared the Black Plague and for this reason, the citizens vowed that every ten years they would give a play to honour the last days of the life of Christ. The performers of this once-in-a-decade event are all native to the village. To lend authenticity to the performance, the cast starts to grow their hair and beards more than a year in advance. During a break in the performance, join your fellow travellers for dinner before returning for the remainder of your Passion Play performance.
